Hi John,

I'm sorry, I thought we were confirmed by email. If you and your folks are not able to attend Lisa and I will still meet with DOGGR folks. Most of the questions on the data tables are for them anyway. Perhaps at your convenience you could reply to Question #3?

Regarding Alon, I have been in contact with Clay Rogers and Dale Harvey directly. The purpose of the agenda item was to update the rest of folks on the AE proposal we received.

Sincerely,

Michele

Hi Michele

Unfortunately since no appointment was sent for this meeting I have a meeting conflict now and both of my senior staff have meeting conflicts as well. I'm trying to clear my schedule and have critical staff prepare documents ready for the discussion. I still plan to be present at DOGGR Monday.

Also if we plan to talk about Alon, then I think Regional Board staff should be at least on the phone.

Hi John – no chance for the 16th, or the morning of the 13th? Now that I think about it, it seems illogical to drive up two days in a row --- I should not have proposed that date. Or perhaps after our monthly meeting instead.

Hi John and Rob,

Lisa and I would like to head up to Sacramento for a meeting with you and others to review a list of specific questions we've got on the data tables submitted with the Oct 15/21 letters; and to try to answer any questions you may have as well. We can send our questions beforehand to facilitate the conversation. I would suggest we set aside 1.5 hours. The following are dates we could be available:

Nov 6, 12, 13, 16, 17, 18.

Please let us know dates and times at your earliest convenience.

Sincerely,

Michele
